

Gear Ties

A nifty way to fasten equipment to a backpack, a garage hook, railing or bike rack, short-length Gear Ties are great for keeping coiled wires in place, for bundling computer wires or TV/DVD/Audio wires. Gear Ties are wires themselves—strong but flexible, with a tough rubber shell to hold its grip on your equipment. Available in various lengths such as 3", 6" and 18". Priced by size, from \$4.99 for four 3" to \$5.99 for two 18", they come in a range of colors such as green, yellow, blue, red, purple and orange. Gear Ties are quick and easy to use as well as quick to remove. They are re-usable as well. Check out this website: niteize.com to see the varieties of Gear Ties available as well as other unique and surprisingly handy gadgets from this company.

Fasten any gear to your backpack, canoe, saddle or garage hook with an 18" Gear Tie. It's easy-on, easy-off and re-usable. The tiny 3" Gear Ties are ideal for bundling cords.
