Ultimate Disc

Our new Flashflight 175g Ultimate Flying Disc is just that....ULTIMA

Whether you're using it for official tournament play, a league, or a game of catch, the Flashflight Ultimate 175 gram Flying Disc will pull, hook and throw consistent flights every time. Constructed of a perfect balance of high quality blended materials, the Flashflight Ultimate is not too hard and not too soft – it's just right! Easy to grip, yet stiff enough for the most powerful arm, the Flashflight Ultimate Disc holds the line reliable enough to hold up to years of use for the hardcore Ultimate professional or the backyard "pro".

Grip one, rip one and watch it fly!
