CLIP PEN + STYLUS

With its sturdy stainless steel clip and quick clip S-Biner attachment, this everyday pocket version of our popular Inka Pen + Stylus has writers, note-takers, and presenters everywhere giving us a hand.

Like its little cousin, the dual-function Inka Mobile Clip Pen + Stylus is designed to go where you go and write where you need it to write. Made of durable polycarbonate and carbon fiber that's tough, lightweight, and corrosion-resistant, its cap is fitted with a replaceable 420-grade stainless steel pocket clip that securely attaches to your shirt, jacket, purse, or briefcase pocket. This easy-access, quick use pen quickly transforms into a full size pen or stylus by simply snapping the cap onto the end of the pen when writing.

With compact size, durable construction, reliable performance, and a replaceable waterproof pressurized blue ink cartridge, this is truly the every-man's (and woman's) ultimate writing device.

- + Available with smoke grey translucent caps to easily identify the pen side and the stylus side with a quick glance
- + Durable, lightweight carbon fiber and polycarbonate components
- + Features a quick clip Stainless Steel #.5 S-Biner that attaches to the stainless steel pen clip for on-the-go functionality
- + Easy-access quick use pen that quickly transforms into a full size pen by simply snapping the cap onto the end of the pen when writing
- + Easy-access touch-screen capacitive stylus for convenient use with iPads, iPhones, Android devices, and other touch screen devices
- + Features a waterproof replaceable pressurized blue ink cartridge that gives the Inka Mobile it's amazing ability to write in extreme conditions
- + Engineered to write in all conditions - underwater, at any altitude, in temperature extremes, and at any angle
- + Stainless Steel clip is replaceable
